3rd National Conference

on

Strategy for Human Welfare on Nature conservation and Resource management

31 January & 01 February, 2016

Organized By

Environment & Social Welfare Society, Khajuraho
Madhya Pradesh, India

Supported By

Madhya Pradesh Council of Science & Technology, Bhopal

In Association with

BER Chapter, Chitrakoot, National Academy of Sciences India

&

3rd Annual Session of Society of Life Sciences Satna (MP)

CIRCULAR-CUM-INVITATION

Assisted By

Godavari Academy of Science & Technology, Chhatarpur

Website: <http://www.godavariacademy.com> Website : www.ijgsr.com

Email: eswsociety320@gmail.com

Venue of Conference

Hotel Green House, Khajuraho (M.P.)

Invitation

Dear

On behalf of the **Environment and Social Welfare Society, Khajuraho**, India and Society of Life Sciences Satna (MP). It is our pleasure to cordially invite you to the **3rd National Conference on "Strategy for Human Welfare on Nature conservation and Resource management"** and 3rd Annual Session of Society of Life Sciences Satna on **31 January & 01 February, 2016** to be held in World Heritage Khajuraho, India.

Object

To provide a platform to Educational Administrators, College Principals, Deans, Readers, Head of Departments, Professors, Assistant Professors, Scientists, Environmentalist, Researchers, Young scientists and Students to disseminate knowledge related to **Nature Conservation, Resource Management and possible solution by Technological Approach.**

Theme

Take some positive steps towards improving our Earth for future generation.

The general topics covered in the conference will be as under:

Nature Conservation

Ecology, Ecosystem and its conservation Measure, Impact of Food chain and Food web on Human life, Animal Behavior and Wildlife Conservation, Biodiversity Conservation and Sustainable Management, Conservation and promotion of Medicinal plants, Eco-Tourism in India, Conservation of critical and fragile habitats & corridors, Land degradation and Forest Conservation, Climate change and endangered species in India, Role of N.G.O. in Nature conservation, Critical, Endangered and Endemic Species Conservation, Natural Disaster, Volcano, Natural calamities, Achieving Environmental Security: Ecosystem services and human welfare

Resource Management

Status of Natural resources, Alternation in Natural resources, Preventive measure for natural resources and conservation, Rural Development, Tribal Welfare, Water Conservation, Chemical & Mineral Conservation, Oxidative Stress and Bio-marker, Occupational health hazards, Environmental Impact Assessment, Agrochemical and environmental hazards. Environment Conservation and Validation of traditional knowledge, Pollution and its monitoring, E-waste and Solid waste management, Eco-Toxicology, Environmental Ethics.

Technological Approach

Method and Technique for Nature Conservation, Bio-indicator as a tool of Nature, Recycling process of pollutant, Application of bio-technology, Rural bio-technology, Tools and technique: for protection and conservation of bio-resources, Bio-markers with special reference to climate change, Ecosystem management technique.

Abstract (s):

An abstract should provide the context or background for the study and state the purpose of the research, scope of the experiments, major findings, and principal conclusions. The abstract should be written in the past tense as a single paragraph not exceeding 250 words.

Paper submission:

Authors are kindly invited to submit full length paper along with the abstract. The paper should contain Title, Name of authors, Institutional address, Email ID, Mobile Number, Abstract, Keywords, Abbreviations, Introduction, Materials and Methods, Result and Discussion, Acknowledge, and References Paper regular eight pages, including figures, tables, and references. in English or Hindi.

Format:

Paper/Abstract must be typed in double space on one side of paper A4 and have 1" margin in English (format MS Word, Times New Roman, Font Size 12) or in Hindi (MS Word, Kurti Dev 010, Font Size 14).

For details click this <http://www.ijgsr.com/web/organizationandformat.php>

Publication:

Abstract will be published in the proceeding of Conference. Full length research papers will undergo a process of peer review before publications in the **International Journal of Global Science Research ISSN: 2348-8344 (Online)**. Authors are requested to submit papers in the journal format and follow editorial policy, the details of author's instructions or sample copy can be obtained from Website: www.ijgsr.com

Oral and Poster presentation:

The abstracts and papers will be reviewed and selected papers will be called for presentation in the respective session. Limitation for paper presentation will be 20 minutes for invited paper and 10 minutes for contributory papers including discussion. Poster should be made 80X60 cm for presentation. Only unpublished research work will be accepted. LCD Projector facility will be available for presentation.

Time Line

- 1 Submission of Abstract for presentation of papers 15/01/2016
- 2 Notification of Acceptance & Payment of registration fee 20/01/2016
- 3 Submission of full length manuscript & Late registration 25/01/2016

Category	Up to 25/01/2016	On spot
Research Scholar	800/-	1000/-
Academician/ Delegates Scientist/ Industrialist/ Others	1200/-	1400/-

Registration form can be downloaded from Home page www.godavariacademy.com

Registration fee includes: Participation in the scientific session, Break Fast, Lunch, Dinner, Conference bag, accessories, Conference documents, Souvenir.

Mode of payment: Only through Bank Demand Draft or NEFT online transfer in the Environment and Social Welfare Society account. Please inform us when you transfer payment to Environment and Social Welfare Society, Khajuraho account so that we can track your payment (mail scan copy as proof to ashwanikhajuraho@gmail.com and WhatsApp No.: 9425143654
