&

SAVE THE FROGS!, California, USA

Jointly Organized

INTERNATIONAL 8th SAVE THE FROGS DAY

On Saturday, April 30th, 2016

At Godavari Academy of Science and Technology, Chhatarpur Madhya Pradesh India

Website: www.godavariacademy.com and www.ijgsr.com

Events:

Scientific Lecture on “Importance of frog in Ecosystem”

Drawing and Painting

Object:

Conceived and coordinated by SAVE THE FROGS!, Save The Frogs Day is the world's largest day of amphibian education and conservation action. The 8th Annual Save The Frogs Day will be held on Saturday, April 30th, 2016. On this day we encourage the appreciation and celebration of amphibians by people from all walks of life. Only a small proportion of the public is aware that frogs are disappearing, and amphibian conservation efforts will not be successful with an un-informed public.

Goal:

Our goal was to make the amphibian extinction crisis common knowledge, and Save The Frogs Day is our best way to make this happen!

Prof. Gouri Sanago inaugurating International 8th Save Frogs Day

INAUGURAL FUNCTION: The **International 8th Save Frogs Day** on 30 April 2016 inaugurated by Subject Expert **Prof. Gouri Sanago** Government Girls College Chhatarpur, Chief Guest Prof. H. N.
