

# Environment & Social Welfare Society, Khajuraho

Annual Report 01 May, 2022 to 30 April, 2023

## IMPORTANT EVENTS IN BRIEF

- About Environment & Social Welfare Society, Khajuraho India
- Object of The ESW Society
- Collaboration with Institute
- MoU MoU
  - ICAR-CAFRI Jhansi, Uttar Pradesh.
  - LND College Motihari, Bihar.
  - Govt. Kalidas College, Ujjain, Madhya Pradesh.
  - Sikkim Skill University, Sikkim.
  - Nehru Gram Bharati Deemed to be University, Prayagraj, Uttar Pradesh.
  - Awadhesh Pratap Singh University, Rewa, Madhya Pradesh.
- The main branch of Environment and Social Welfare Society
- Godavari Academy of Science and Technology, Chhatarpur
- International Journal of Global Science Research
- Membership/Fellowship of ESW
- International Biodiversity Day May 22, 2022
- Online webinar on Beat the Monster Inflation on June 4, 2022
- World Environment Day June 05, 2022
- International Conference at Dubai, UAE July 27 to 29, 2022
- Animal Protection Awareness programme on 10 August 2022.
- ESW 10<sup>th</sup> ARC on "Strategies for promotion and conservation of environment and native species to protect and restore the Nature" on 29 to 31 January, 2023.
- National Science Day 2023
- Participation in MPCST Training during 23 to 25 March, 2023
- Founded Godavari Self-Employment Centre, Nahdora-Khajuraho April 16, 2023
- Training programme on Agriculture practices on April 16, 2023
- Drug Free India Campaign at Godavari Self-Employment Centre, Nahdora April 16, 2023
- Science Popularization/Symposia/Seminar/Workshop/Scientific Lecture
- Library
- National data bases developed
- Visual Outputs:

## ABOUT ENVIRONMENT & SOCIAL WELFARE SOCIETY, KHAJURAHU INDIA

ESW Society is founded in the Bi-Millennium year. It is the National Society of India. Now it's worldwide known by its impact with aim Development of academic institutions, All around development of children's, Self employment, Awareness on environment management, Social and animal welfare, To highlight modern Technology, Computer, Games & Sports, Music, Art, Literature, and various languages in the field of education and Research promotion. ESW Society has been to develop relationship between environment and society envisions the promotion of education and sciences among the University, College and School students as well as in the society for Human Welfare. It is registered under the **society Act 1973**, Govt. of MP, India on 31 January 2K. It was affiliated by **Nehru Yuva Kendra Sangathan**, Ministry of Youth Affairs and Sports,

# Environment & Social Welfare Society, Khajuraho

Annual Report 01 May, 2022 to 30 April, 2023

Govt. of India; MP **Jan Abhiyan Parishad**, Govt. of MP, since 2013; Accredited by **NITI Aayog**, Govt. of India, MP/2014/0076324; **under sections 12A(1)(ac)(iii) 2022-23 to 2026-27 & 80G** Income Tax Act 1961 Government of India; And also registered for undertaking **CSR**, Ministry of Corporate Affairs, Government of India.

NGO Partnership  
System

**NITI Aayog**  
(National Institution for Transforming India)  
Government of India

## OBJECT OF THE ESW SOCIETY

1. To establish, arrangement and management all around development in the field of Education and expansions of educational institutions.
2. To develop Ideal morality, Character building in the Children according to Indian tradition and Culture.
3. All around development of the Children. Arrange training programme to establish Self Employment Centre.
4. To organize Seminar for Environmental management, Pollution control, and establish Awareness centre for the same.
5. To make awareness for Social welfare. Check against Animal cruelty and to protect against cruelty and Tyranny.
6. Open animal house for improvement of animal health and provide necessary facility for them.
7. To highlight modern Technology, Computer, Games & Sports, Music, Art, Literature, and various languages Hindi, English, Urdu, and other foreign languages in the field of Education.
8. Establish Research Centre.

## COLLABORATION WITH INSTITUTE

- International Union for Conservation of Nature- CEC, Switzerland,
- *Zoological Survey of India*, Ministry of Environment, Forest and Climate Change, GoI, Kolkata, West Bengal
- The National Academy of Sciences, Bhopal Chapter, Madhya Pradesh, India,
- Vigyan Parishad, Mahakoushal Prant, India
- Madhya Pradesh Council of Science and Technology, Bhopal
- ICAR-CAFRI Jhansi, LND College Motihari, Bihar
- Govt. Kalidas College, Ujjain, MP
- Sikkim Skill University, Sikkim
- Nehru Gram Bharati Deemed to be University, Prayagraj, Uttar Pradesh.
- Awadhesh Pratap Singh University, Rewa, Madhya Pradesh.

Annual Report 01 May, 2022 to 30 April, 2023

## MoU

MoU Signed and exchange file between executive of institutes by ESW Society, Khajuraho and ICAR-CAFRI Jhansi, LND College Motihari, Bihar, Govt. Kalidas College, Ujjain, MP, Sikkim Skill University, Sikkim, Nehru Deemed to be University, Prayagraj, Uttar Pradesh and Awadhesh Pratap Singh University, Rewa, Madhya Pradesh. The goal is to foster collaboration, provide opportunity for global experience, and to facilitate advancement of knowledge on the basis of reciprocity, best effort, mutual benefit, and frequent interactions.

- a) to exchange information on research and educational programmes
- b) to exchange information on teaching, learning material and other literature relevant to their educational and research programmes
- c) to jointly organize short-term continuing education programmes on topics of mutual interest and to invite each other's faculty and members to participate therein
- d) to jointly organize seminars, conferences, or workshops on topics of mutual interest and to invite each other's faculty and members to participate therein
- e) to jointly propose and engage in research or training programmes sponsored by funding agencies, and to invite each other's faculty and members to participate therein

Annual Report 01 May, 2022 to 30 April, 2023

## THE MAIN BRANCH OF ENVIRONMENT AND SOCIAL WELFARE SOCIETY

### **Godavari Academy of Science & Technology (GAST) Chhatarpur:**

Godavari Academy of Science & Technology, Chhatarpur established as prompt Science Academy in India. Goal of Academy is understand the problem, undertaking and solve them by scientific approach of Scientist, Academician or Researcher. Organizing Scientific Session, Science Communication Activity, Seminar, Symposium, Conferences, Workshop, Popular Science Lecture, Interaction with leading scientist, Quiz Contest, Interactive Session on Health and Pollution Control and Career in Biological Sciences are main program. Aim to develop scientific temper among students and social workers. Co-operating with other institute in State and in India as well as Abroad, having similar object and to appoint coordinator of the Academy to act National and International Bodies.

### **International Journal of Global Science Research:**

International Journal of Global Science Research (**IJGSR**) is Open access, Peer-reviewed, Refereed, Indexed, Biannual, Bilingual, Impacted Academic Journal.

**Abbreviated title:** Int. J. Glob. Sci. Res.

**ISSN:** 2348-8344 Paris

**Journal Website:** [www.ijgsr.com](http://www.ijgsr.com)

**Started Year** April 2014;

**Frequency:** Bi-annual (April & October)

**Language:** English & Hindi

**Index Copernicus International** ICV 2016: 62.6

**NAAS score** 2021: 2.77

## MEMBERSHIP/ FELLOWSHIP OF ESW

To recognize the outstanding academic, environmentalist and scientific contributions of the scientists, the ESW Society awarded the prestigious Membership to the scientists working in different areas of Environment, Education, Art and science & technology, selected from all across the country.

### Life Members

1. **Dr. Gaurav Sharma** (Oct. 2022) Associate Professor of Floriculture & Landscaping, Rani Laxmi Bai Central Agriculture University, Jhansi, Uttar Pradesh
2. **Dr. Sangeeta Chaurasia** (Nov. 2022) Guest Faculty of Zoology, Specialization in Ichthyology, Swami Vivekanand Government College, Berasia, Madhya Pradesh.
3. **Dr. Baban Seyke** (Nov. 2022) Assistant Professor of English, Specialization in Indian Novel, Swami Vivekanand Government College, Berasia, Madhya Pradesh.

# Environment & Social Welfare Society, Khajuraho

Annual Report 01 May, 2022 to 30 April, 2023

4. **Dr. Chandrakanta Ahirwar** (Nov. 2022) Assistant Professor of Physics, Specialization in Digital Electronics, Swami Vivekanand Government College, Berasia, Madhya Pradesh.
5. **Dr. Saroj Gupta** (Dec. 2022) Professor Department of Hindi, Pandit Deendayal Upadhyay Government Arts and Commerce College, Sagar, Madhya Pradesh,
6. **Dr. Richa Sharma** (Dec. 2022) Assistant Professor of Biological Science, SHUATS, Prayagraj, Uttar Pradesh. Specialization in Noise Pollution, Water pollution, Air Pollution, Climate Change, Global warming, Plant Science, sustainable Agriculture.
7. **Dr. Rakesh Rahul Jadhav** (Dec. 2022) Assistant Professor of Fisheries Engineering, Dr. Balasaheb Sawant Konkan Krishi Vidyapeeth (Agricultural University), Dapoli, India. Specialization in Fisheries Science, Food Engineering and Bioprocess Technology.
8. **Ms. Priyanka Singh** (Dec. 2022) Research Scholar, Department of Environmental Science, Bundelkhand University, Jhansi, Uttar Pradesh. Specialization in Environmental pollution.
9. **Dr. Phool Gend Kumar** (Dec. 2022) Assistant Professor of Zoology, Bramhanand College, Kanpur, Uttar Pradesh. Specialization in Entomology and Toxicology.
10. **Dr. Kusum Arunachalam** (Jan. 2022) Professor, School of Environment and Natural Resources, Doon University, Dehradun, Uttarakhand. Specialization in Microbiol ecology, Productivity & Mountain ecosystem and development.
11. **Dr. Kusum Kashyap** (Jan. 2022) Assistant Professor of Botany, Raja Bhoj Govt College Mandideep, Bhopal. Specialization in Plant Pathology.
12. **Dr. Shalini Misra** (Jan. 2023) Associate Professor of Psychology, J.D.V.M., Post Graduate College, Kanpur, Uttar Pradesh, Specialization in Clinical Psychology.
13. **Dr. Arjun Lal Ola**, (Jan. 2023) Assistant Professor of Vegetable Science, College of Horticulture, Rani Lakshmi Bai Central Agricultural University, Jhansi, Uttar Pradesh. Specialization in Vegetable crop improvement & Vegetable Production Technology
14. **Dr. Ajeet Kumar Sharma**, Associate Professor of Botany, St. Wilfred College for Girls Mansarovar Jaipur, Rajasthan. Affiliated with University of Rajasthan Jaipur. Specialization in Physico-Ecology, toxicology and Ethnobotany.
15. **Dr. Kavita Singh Chaudhary** (Jan. 2023) Assistant Professor of Microbiology, Govt. P. G. College, Noida, U.P
16. **Dr. Rohit Kumar Singh** (Jan. 2023) Associate Professor of Chemistry, Pt. J. N. Post Graduate College, Banda, Uttar Pradesh
17. **Dr. Rajeev Kumar Niranjana** (Jan. 2023) Assistant Professor of Environmental Science, Nehru College, Lalitpur, UP. Specialization in Organic Farming, Environmental Pollution, Vermicomposting.

## General Members

1. **Dr. A. Raj Shekhar**, Professor of Geography, Kalinga University, Raipur, Chhattisgarh, India. Specialization in Urban And Environmental Geography

## INTERNATIONAL BIODIVERSITY DAY MAY 22, 2022

The United Nations has proclaimed May 22 The International Day for Biological Diversity (IDB) to increase understanding and awareness of biodiversity issues. When first created by the Second Committee of the UN General Assembly in late 1993, 29 December (the date of entry into force of

# Environment & Social Welfare Society, Khajuraho

Annual Report 01 May, 2022 to 30 April, 2023

the Convention of Biological Diversity), was designated The International Day for Biological Diversity. In December 2000, the UN General Assembly adopted 22 May as IDB, to commemorate the adoption of the text of the Convention on 22 May 1992 by the Nairobi Final Act of the Conference for the Adoption of the Agreed Text of the Convention on Biological Diversity. This was partly done because it was difficult for many countries to plan and carry out suitable celebrations for the date of 29 December, given the number of holidays that coincide around that time of year.

Keeping this view in mind ESW Society organized awareness programme at Godavari Academy of Science and Technology, Chhatarpur, Madhya Pradesh. Managing Director Mrs. Vandana Dubey was the Chief Guest of this event.

## ONLINE WEBINAR ON BEAT THE MONSTER INFLATION ON JUNE 4, 2022

Online webinar on Beat the Monster Inflation on June 4, 2022 organized by ESW Society. 74 Research scholar and College students participated in this online event. Result indicate that The best way to hedge against inflation is to diversify your investment portfolio. You will beat inflation if the returns from your investments exceed the inflation rate. Good investments to hedge against inflation include real estate, bonds, and gold.

## WORLD ENVIRONMENT DAY JUNE 05, 2022

The UN General Assembly designated 5 June as World Environment Day, marking the first day of the Stockholm Conference on the Human Environment. Another resolution, adopted by the General Assembly the same day, led to the creation of UNEP. Environment and Social Welfare Society organized a Guest Lecture programme for spread awareness on safe environment.

## INTERNATIONAL CONFERENCE AT DUBAI, UAE JULY 27 TO 29, 2022

29<sup>th</sup> International Conference on "Technologies for Smart Green Connected Society-2022 for Sustainable Development (IC-TSGCS- 2022)" on July 27 to 29, 2022 at Dubai organized by Edwin Incorporation Dubai in association with ESW Society. Mrs Vandana Dubey MD of Godavari Academy of Science and Technology Chhatarpur Awarded by "Excellence in Business Award Female Entrepreneur" and Dr. Ashwani Kumar Dubey Awarded for **International Pride of Educationist Award in the field of Education** by Edwin Incorporation, Dubai & ESW Society, India at International conference Dubai, UAE.

# Environment & Social Welfare Society, Khajuraho

Annual Report 01 May, 2022 to 30 April, 2023

## ANIMAL PROTECTION AWARENESS

Animal Protection Awareness programme arranged at Godavari Academy of Science and Technology, Chhatarpur on 10 August 2022. Animal Rights Awareness Week was created by In Defense of Animals in 1991 to honor and remember the animals who have been ruthlessly exploited and killed by humans around the world, and to create an opportunity to direct the public's attention to the needs and wants of animals, with the idea that animals' rights must. Animal rights advocates want to distinguish animals from inanimate objects, as they are so often considered by exploitative industries and the law. The animal rights movement strives to make the public aware of the fact that animals are sensitive, emotional, and intelligent beings who deserve dignity and respect. We can raise Awareness About Cruelty To Animals in following manner. Volunteer at your local animal shelter. Often, when abused animals are taken to a shelter, they are very afraid of people. Donate money, Report cruelty and Tell others about the cause.

Dr. Ashwani K Dubey focussed on importance of animals. Animals improve the welfare of humans in many ways, ranging from providing companionship, improving mental health, facilitating rescues during natural disasters; and finally, for a number of species, as food. Dogs used in therapy, and as aids for people with disabilities, provide important benefits.

## ESW X ANNUAL RESEARCH CONFERENCE INTERNATIONAL LEVEL

**Brief Report of ESW X Annual Research Conference International Level on**  
“Strategies for promotion and conservation of environment and native species  
to protect and restore the Nature”

Date: 29 to 31 January, 2023. Venue: Khajuraho, India

**Organized by:** Environment & Social Welfare Society, Khajuraho, India.

**In association with** International Union for Conservation of Nature- CEC, Switzerland.

*Zoological Survey of India*, Ministry of Environment, Forest and Climate Change,  
Government of India, Kolkata, West Bengal.

The National Academy of Sciences, Bhopal Chapter, Madhya Pradesh, India,  
Vigyan Parishad, Mahakoushal Prant, India

Madhya Pradesh Council of Science and Technology, Bhopal

Website: [www.godavariacademy.com](http://www.godavariacademy.com) and [www.ijgsr.com](http://www.ijgsr.com)

*Dr. Mordhwaj S. Parihar, President, BIOEXONS LLC Washington, USA inaugurated  
ESW 10<sup>th</sup> Annual Research Conference International Level - 2K22*

**A PRELUDE:** After the success of ESW 9<sup>th</sup> Annual National Research Conference on “**Impact of Environmental Stressors on Human and Disaster Management**” during 30 & 31 January, 2022. Environment & Social Welfare Society, Khajuraho, India organized its ESW 10<sup>th</sup> Annual Research Conference International Level on “**Strategies for promotion and conservation of environment and native species to protect and restore the Nature**” to be held during 29 & 31 January, 2023 at UNESCO Heritage site of India Khajuraho, Madhya Pradesh in association with The National Academy of Sciences, Bhopal Chapter, Madhya Pradesh, India, International Union for Conservation of Nature- CEC, Switzerland, *Zoological Survey of India*, Ministry of Environment, Forest and Climate Change, GoI, Kolkata, West Bengal, Vigyan Parishad, Mahakoushal Prant, India **and** Madhya Pradesh Council of Science and Technology, Bhopal with collaboration MoU Institutes Dr. B. R. Ambedkar University of Social Sciences, MHOW, Madhya Pradesh. Pt. S. N. Shukla University, Shahdol, Madhya Pradesh. Vikram University, Ujjain, Madhya Pradesh. Rani Durgavati University, Jabalpur, Madhya Pradesh. Bundelkhand University, Jhansi, Uttar Pradesh. *Nehru Gram Bharati* (Deemed to be University), Prayagraj, Uttar Pradesh. Govt. College, Chenani, Jammu, Jammu & Kashmir. Govt. Girdari Lal Dogra Memorial College, Hiranagar, Jammu & Kashmir. Internationally collaborated with Basha Research Corporation, Singapore, MONACHUS, Constanta, Romania, Dr. FawazAzki Geological Museum, Kismin, Syria and Iranian Ornamental Fish

# Environment & Social Welfare Society, Khajuraho

Annual Report 01 May, 2022 to 30 April, 2023

Society, Tehran, Iran. Assisted by Godavari Academy of Science and Technology, Chhatarpur, MP, India.

**OBJECT:** To provide a platform to Policy makers, Vice Chancellors, Educational Administrators, College Principals, Deans, Head of Departments, Professors, Readers, Associate Professors, Assistant Professors, Scientists, Environmentalist, Researchers, Young scientists and Post Graduate Students to disseminate knowledge related to environment and native species.

**GOAL:** The principal goal of this conference will be to present some of the latest outstanding breakthroughs in environment and native species, to bring together both young and experienced scientists from all regions of the world, and to open up avenues for research collaborations at regional and global level.

**THEME:** In the preamble to the 2030 agenda, world leaders affirmed that they are: “Determined to protect the planet from degradation, including through sustainable consumption and production, sustainably managing its natural resources and taking urgent action on climate change, so that it can support the needs of the present and future generations.” Therefore, ESW Society organized this conference to take some positive steps towards improving our Environment, Society and Human health for our future generation.

**INAUGURAL FUNCTION:** The ESW X Annual National Research Conference inaugurated on 29 January, 2023 by Dr. Mordhwaj S. Parihar, President, BIOEXONS LLC Washington, USA. by candle lighting in front of Goddess Saraswati in the gracious presence of Patron Dr. Mohan Yadav, Hon'ble Minister, Dept. of Higher Education, Govt. of MP (virtual), Guest of Honour Dr. Ulrich Berk, German Association of Homa Therapy, Germany, Dr. S. N. Pandey Pro Chancellor The Open Global University, Nagaland, Dr. Arun Arya, M. S. University, Baroda, Gujarat, Dr. Ashwani Kumar Dubey, Founder President, Environment & Social Welfare Society, Khajuraho, Madhya Pradesh, Fellow/Member of Environment & Social Welfare Society Khajuraho, India, Mrs. Vandana Dubey, Managing Director, Godavari Academy of Science and Technology, Chhatarpur, MP and distinguished guests, participations from various part of country and hundreds+ participants including social media were participated in conference. Miss. Deepika Tiwari Ujjain presented Saraswati Vandana and Dr. Sudha Srivastava, Dr. Shobha Soche and Vandana Dubey welcomed ESW Society by putting badges.

**MoU Signed and exchange file between executive of institutes by ESW Society, Khajuraho and ICAR-CAFRI Jhansi, LND College Motihari, Bihar, Govt. Kalidas College, Ujjain, MP, Sikkim Skill University, Sikkim.**

**Patron Dr. Mohan Yadav**, Hon'ble Minister, Dept. of Higher Education, Govt. of MP (virtually) blessed to the organizers and participants of this conference.

**Chief Guest Dr. Mordhwaj S. Parihar** said that this program helps in environmental protection and solution of global warming and climate change.

**President Dr. S. N. Pandey** highlighted in his presidential address that scientists can make the body weather friendly by gene editing but we should change our nature ourselves and we should work with satisfaction.

**Guest of Honour Dr. Ulrich Berk** said that we should respect our mother earth contributes to the solution.

**Guest of Honour Dr. Arun Arya** threw light on conservation of local species.

**Executive Director, ESW Society and Organizing Secretary of conference Dr. Ashwani Kumar Dubey**, highlighted the 10 years activities of the society, said that all the members associated with this organization are working dedicatedly for environmental protection.

**The general topics discussed in the conference as follows in Five Scientific Session and One Poster session.**

1. **Biological Sciences:** Biological Sciences, Agricultural Science, Anthropology and Behavioral Sciences, Animal Husbandry, Aquaculture, Biodiversity, Biotechnology, Biochemistry, Bioinformatics, Cell and Molecular Biology, Fish and Fisheries, Home Sciences, Immunology, Life Sciences, Limnology, Medical Sciences, Microbiology, Nutrition, Plant Sciences, Taxonomy, Tissue Culture, Toxicology, Veterinary Sciences, Wildlife Conservation, Zoology.

2. **Environmental Sciences:** Environmental Ethic, Environmental Legislation, Environmental Impact Assessment, Environmental Management, Environmental Policies, Environmental Pollution, Natural Resources Conservation.

3. **Earth and Atmospheric Sciences:** Mineralogy, Wildlife.

4. **Sustainable Development**

**Vote of thanks:** Vote of thanks given by In Inaugural session Prof. Prahlad Dube, Kota & In Valedictory session Dr. Harish Vyas, Professor of Zoology, Government Kalidas College, Ujjain to our all respected guest and participants..

## 31 January, 2023: Celebration of 23<sup>rd</sup> FOUNDATION DAY OF ESW Society

On the 23<sup>rd</sup> Foundation Day of ESW, all the scientists took out a rally from Hotel Green House to the temple site of Khajuraho and gave the message of environmental protection and together with Khajuraho On the call of Honorable Prime Minister of India Mr. Narendra Modi, Regional MP, Mr. V. D. Sharma and District Collector Mr. Sandeep G. R. ESW Members & Clean Green Army with all the guests and researchers of conference cleaned the ghat of Shiv Sagar pond and spread the message of cleanliness to the whole world.

Dr. Ashwani Kumar Dubey conducted the program.

**Beneficiary:** Thousands+ Listeners/ Research scholars/ Students/ Academician/ Social workers were benefited by this event.

# Environment & Social Welfare Society, Khajuraho

Annual Report 01 May, 2022 to 30 April, 2023

## RECOMMENDATIONS:

- Systematic research on effects of Agnihotra on purification of atmosphere, soil, and water resources.
- Systematic research on effects of Homa Organic Farming on sodic / saline / and acidic soil.
- Testing Homa Organic Farming on farm level.
- Creating Homa Organic Model Farms in each State of India.
- Including Homa Organic Farming in the syllabus of B.Sc. / M.Sc. courses at Agricultural Universities.
- Including methods of Homa Organic Farming in the Package of Practices.
- The temple area is clean and maintained. Similarly the whole city particularly from station to city near temples should have many dust bins. All the waste should be segregated and recycled. The work can be given to the contractor or any NGO.
- Burning of waste should be discouraged and use of plastic bags and bottles should be banned.
- Water quality of lakes should be tested and more cleanliness of lakes should be done.
- Vaccines are chief weapon in fighting against the covid 19 pandemic.
- Protected Areas, viz, National Parks, Sanctuaries, Conservation Reserves and Community Reserves all over the country covering the important habitats have been created as per the provisions of the Wild Life (Protection) Act, 1972 to provide better protection to wildlife, including threatened species and their habitat should be followed strictly.
- **We can help save threatened species by** Join a community national parks organisation, Visit a nearby national park or nature reserve, Use cleared areas more efficiently rather than clearing more land, Provide areas exclusively for wildlife and Plant local native trees and shrubs.
